ADR BENEFITS FOR INVESTORS:

- ADRs give access to cross-border market liquidity
- ADRs eliminate the need to set up a custodian account in another country to hold ordinary shares
- ADRs can be more convenient to own than ordinary shares for reasons including the ease of trading in US\$ and familiar trading, clearance, and settlement procedures

BENEFITS OF WORKING WITH BNY MELLON:

- We work with you on flexible conversion pricing and to ensure transparent transactions and costs
- You can benchmark returns with more than 140 BNY Mellon DR indices
- We issue updates on regulatory changes related to corporate governance matters
- We can often facilitate connections with senior-level executives of DR issuers.
